2. Pupils/students shall **not** be eligible due to safeguarding / conflict of interest.
3. Membership shall also be available at the Chair's discretion for those who have a proven interest in the STSC but do not meet the required criteria, and where there is deemed to be no conflict of interest (see #10).
4. Upon application, potential members shall be checked for eligibility by the ABTT Office (an official work email address linked to an educational establishment is sufficient for this).
5. Where an ABTT Affiliated Organisation wishes to join the STSC, this shall include the same number of individuals as the Affiliated Organisation.
6. Membership shall continue until the member ceases to be eligible, resigns their membership or has their membership suspended/withdrawn (such action within the discretion of the STSC Chair, not to be taken for any unreasonable or discriminatory reason). Members may resign their membership at any time by contacting the Chair or ABTT Office. Members must inform the ABTT Office if they cease to be eligible for membership (e.g. leaving employment by a school).
7. Members shall be subject to the ABTT Articles of Association and Rules.
8. Members shall consent for the ABTT Office to share their contact details amongst the other members of the STSC in the form of the Member Directory in accordance with the STSC's Terms of Reference. (This consent shall be obtained during the sign-up/renewal process.)
9. Members shall not in any way use or disclose the contact details of any other member outside of the STSC without the consent of those concerned. The Member Directory shall be considered confidential, including for an indefinite period upon termination of membership.
10. Members shall not use the Member Directory for any purpose which may be deemed for commercial or profitable purposes outside of the STSC, including but not limited to soliciting for business or services.
