

# THEATRE WORKSHOPS AT LAMDA

**Are you working in stage lighting, responsible for lighting a venue or just interested to learn more about LED lighting technologies in theatre?**

Join international lighting designer Andy Webb at a Robe Theatre Workshop to explore the rise of LED lighting in theatre.

## **Learn about:**

Colouring sets and costumes with LED lighting.

Balancing a wide range of skin tones.

Seamlessly blending LED lighting into traditional lighting rigs.

Sustainable, Transferable LED light engines.

The latest technologies to enhance the theatrical lighting experience.

1 October 2024, 10am – 4pm (full session)  
or 2 October 2024, 10am – 1pm (short session)

At The Sainsburys Theatre, LAMDA, 155 Talgarth Road, London W14 9DA
